LB 254, 254A, 64, 585A

CLERK: Mr. President, your Committee on Enrollment and Review reports LB 254 advanced to Select File with the E&R amendments attached. (See pages 1880-81 in the Journal). And LB 254A, Select File with E&R amendments. (See page 1881 in the Journal). Mr. President, new resolution LR 87 by Senator Haberman. Read LR 87. (See page 1882 in the Journal). That will be laid over, Mr. President. Mr. President, Senator Landis would move that LB 64 become law notwithstanding the objections of the Governor.

SPEAKER NICHOL: Okay, LB 585A.

CLERK: Mr. President, Senator Vickers would move to return LB 585A to Select File for a specific amendment. Senator Vickers' amendment is on page 1724 of the Journal.

SPEAKER NICHOL: Senator Vickers.

SENATOR VICKERS: Mr. President, members, LB 585, as you will recall, is a bill dealing with the Math and Science Teachers Act and we amended that bill on Select File with the Remmers Amendment whereby we were going to use \$100,000 from the School Weatherization Program instead of \$60,000 from the General Fund as the A bill had originally called for. So we have to amend the A bill to reflect the changes made in 585 with the Remmers amendment and that's the amendment that I'm offering to 585A. I should also point out that for the benefit of the Appropriations Committee members and others that are interested in holding the cost down of the budget where this will be reducing the budget by that sixty some thousand and instead it will be taken out of a cash fund. So perhaps that will be of some benefit to some of the members of the Appropriations Committee at least. Anyway, I would ask for the return of 585A for this specific amendment instigating the fact in 585A that would reflect the changes we made on 585 on Select File.

SPEAKER NICHOL: The question is the return of LB 585A for a special amendment. All those in favor, vote aye. Opposed, nay. Record, Mr. Clerk.

CLERK: 25 ayes, 1 nay, Mr. President, on the motion to return the bill.

SPEAKER NICHOL: The bill is returned. Senator Vickers, did you wish to speak further to the amendment?

SENATOR VICKERS: Just move the adoption of the amendment.

SPEAKER NICHOL: The question is the adoption of the Vickers amendment. All those in favor, vote aye. Opposed, nay. Please vote. Let's go. Record, Mr. Clerk.
